

eBN can integrate with virtually any HR or Benefits Admin platform to establish a file feed for automated benefits enrollment. Below is a partial list of platforms that we have worked with to date. Our network continues to grow based on customer demand, so let us know if you would like to connect with a platform not listed below.

Platform	834 Supported	Layouts Supported	COBRA Supported	401K Supported
AdvancedHR 2.0	X	X		
CloudPay				X
